SPIRITUAL RICHES OF THE ROSARY MYSTERIES

***By* Charles J. Callan, O.P., S.T.M., Litt.D.**
***and* John F. McConnell, M.M., S.T.M., SS.L.**

Reading merely the titles of the mysteries of the Rosary is the same thing as reading a history-outline of the lives of Jesus, Mary and Joseph. *Spiritual Riches of the Rosary Mysteries* is, therefore, a development of that history-outline. The Dominican and Maryknoll authors have kept uppermost in mind that, as in all history, the persons of Jesus, Mary and Joseph are better known and appreciated when known in relation to time, place and circumstance.

In order to be a spiritual work, *Spiritual Riches of the Rosary Mysteries* must relate the inspiring retelling of life with the Holy Family to the end of all men's strivings and yearnings. Accordingly it must be a *practical* book, practical in this, that it proposes spiritual means to an eternal end.

Each chapter of this work devotes full treatment to each of the fifteen mysteries, and the authors follow a definite pattern throughout, background of the mystery; the mystery; meditation on the mystery; further thoughts for meditation.

A special section has been added to this work for those priests who will use the book in novenas, conferences, retreats and parish missions. This section contains the principal novenas to Our Blessed Lady, a clear and simple exposition on indulgences, answers to difficulties which so frequently arise with regard to prayer, the saying of the Rosary, etc.

Price: $3.95

JOSEPH F. WAGNER, INC. 53 Park Place, New York 7, N. Y.
